Designated Computer: Existing Computer

Existing/New Property Control # : 210582

Old Property Control #: N/A

Designated Employee: Existing Employee

Existing/New Employee #: 72147

Employee Name:

Contractor Number/Name:

Old Employee #:

Phone #: (601)984-5749

Alternate Phone #: 662-275-7950

Room #: G109

Dept Charge Code #: 20020800

Resources:

Other: I would like MikTeX installed. https://miktex.org/ MikTeX is a free program that works with RStudio in helping to create .pdf journal, article, and other research documents. It allows graphs and visualizations to be saved via pdf that includes text.

Comments: I'd also like this software installed on computers 210580 and 210581 in our lab.

Supervisor Name: SCHOW, MARY

Supervisor Employee #: 42296

Supervisor Phone #: (601)984-6926

Supervisor Comments:

Status: HelpDesk ticket assigned
